

Friday, July 9, 2010

Friends and Neighbours,

On Friday, September 17, 2010, I will be hosting the Nancy Edighoffer Memorial Golf Tournament in support of the Heart & Stroke Foundation. This exciting event will be held at the Mitchell Golf and Country Club, Nancy's home course. To make this event a success, I am asking you to join me on the links for a fantastic day of golf, dinner, prizes, friends and remembrance, while raising awareness and funds for a great cause. Anyone is welcome to play in the event, whether you are a single, a foursome, or have a larger group. I also have a number of sponsorship opportunities remaining and welcome all who wish to become involved in the event. I look forward to seeing you at the tournament. Any questions or comments can be directed to the contact information on the attached registration form.

Sincerely,

Jeff Southon
Tournament Coordinator
Nancy Edighoffer Memorial Golf Tournament
