- Steve & Denise

Throughout our journey with The Mitchell Golf Club we had countless amounts of support from everyone involved! Danielle was absolutely phenomenal, anything we needed she had it before we could even ask, every detail was laid out perfect with her assistance, and our wedding never would have been so flawless without her! The kitchen could not have made us a better meal to enjoy, everything was hot and fresh, it was absolutely exceptional. All the serving staff were very accommodating and professional. Our entire experience from start to finish was absolutely amazing with Mitchell Golf and Country Club!
